# Monticello Country Club Men's Club

2011

MCC Men's Club welcomes all members to what is expected to be a great 2011 season.

The MAIN emphasis of the MCC Men's Club is to have fun and enjoy yourself while playing a round of golf. We at Monticello Country Club pride ourselves in a golf philosophy to tailor our weekend games (tournament and non-tournament days alike), to the magic of competitive golf. In addition, the members of the MCC Men's Club also respect the game of golf as it is meant to be played... by the rules. With this idea in mind, we feel it is each member's responsibility to know the rules of golf and play by them.

Since golf is an individual game, we gear our events to play on an individual basis. In addition, because golf is also a social game, we encourage a team spirit with several assorted team events.

The following items are what you need to know about our Men's Club.

## Dues:

Your dues of \$110.00 are allocated to the following.

1. Prize fund for Men's Club events.
2. Your USGA handicap service. **(This must be thru the Monticello Country Club)**
3. The Men's Club MGA and MPGA dues.
4. Insurance for any Hole-In-One during our scheduled Men's Club events.
5. Our Men's Club score cards.
6. Other administrative expenses.

## Handicaps:

All members must have an established MGA handicap card w/ the Monticello Country Club. Please contact the MCC Men's Club handicap chairman, Kristi Dostal, with any questions concerning handicaps. 2010 USGA handicaps from other golf courses are transferable and accepted for tournament play. As noted above, part of your dues are used to pay for your USGA official handicap card. Your card is updated on the 1<sup>st</sup> and 15<sup>th</sup> of every month. **It is YOUR responsibility to enter all adjusted 18 hole and 9 hole (winter or summer) scores played at a course observing an active season at time of your round per new MGA & USGA rules into the local computer system located in any proshop.**

## Handicap and Scorecard Procedure:

Our handicap "Station" is located in the Monticello Country Club Pro Shop. Here you will find our official scorecards, our computer system for handicaps, your current handicap card and a current list of all Men's Club Member's Handicaps. It is suggested to enter all home and away scores as soon as possible.

Your USGA handicap card can be used for play throughout the United States. All Men's Club competition is based on your Men's Club Handicap. When you travel to other courses, you need to be aware of your USGA index. Check with the course personnel at the away course to see what handicap you should use while playing there.

### **Tournament Prizes:**

Those who place "in the money" in our club events are issued club prize money (Tournament Credit). All tournament credit awarded during the golf season will be redeemable at the Monticello Country Club Pro Shop for merchandise (current stock or catalog orders). The tournament results are usually available at the clubhouse (on the bulletin board) within three days of the tournament. Results are also e-mailed out by the tournament director, usually with one or two days of the tournament.

**REMINDER!!!!!! All Men's Club tournament credit must be redeemed for merchandise on or before October 15<sup>th</sup> of the current year. NO CARRY OVER TO THE NEXT SEASON!!!!!!**

### **Hole-In-One Award:**

Every member has Hole-In-One insurance for the 2011 season for aces made at the Monticello Country Club. In order to collect, the Hole-In-One must be made during our scheduled Men's Club events. The insurance award is based on the number of Hole-In-Ones and the amount of money in the Hole-In-One pool.

### **Standards Of Conduct:**

### **Other Notes:**

The Men's Club computer automatically records your round from the "White Tees" so make sure your rounds are entered from the appropriate tees.
